All conference transactions shall be in US Dollars (USD). The conference accepts payment by credit cards and bank transfer. There will be a USD 50 fee assessed for returned checks or for chargebacks issued on valid credit card charges. Registration payments must be received by the registration deadline for the rate at which you registered; if payment is not received by the deadline, you will be responsible for the higher rate. Refund policy: All registration fees covering a paper are non-refundable. For registration fees not covering a paper: A full refund, after a USD 50 (equivalent) processing fee, will be given, provided the request is applied for prior to the last day of the Advance Registration deadline. Refunds will not be issued after the Advance Registration deadline, unless in extreme cases (i.e. medical or family emergencies, visa issues based on solid evidence). In such cases, the organizers must be alerted prior to the conference start date. To obtain a refund, an email must be submitted containing proof of the extenuating circumstance, up to one week after the conference end date. Any visa related issues must provide proof that the application was submitted early enough according to the typical times to obtain a visa for the country and person in question.
